

**YHA BUSHWALKING IS GOING TO
CAPE TO CAPE
MARGARET RIVER WA (Sat 8th - Sun 16th September 2018)**

The Cape to Cape Track is 135km long, running from Cape Naturaliste to Cape Leeuwin in the far south west of Western Australia. It features spectacular coastal and forest scenery, a fascinating geology of cliffs, caves, headlands and rock formations and an ever-changing display of vegetation and wildflowers.

We are doing a pack carry in mid September when the wild flowers are starting to bloom and the whales are on their way back to Antarctica.

The grading of this trip is medium as we will need to carry 4 days' food at most as we will do a food drop. At the halfway point, we will stay in a caravan park to have a hot shower and a soft bed. However, to finish this 135km in 7 days, there are days we need to cover over 20km, and the longest day is 26km.

Costs: the estimated cost for the land transportation (ex-Perth) and 3-nights accommodation (before, after and half-way) is \$340.

Group size: 12

Participant requirements:

Have done a 3-4 days pack carry in the current year.

Have done a pack carry with our club in the current year.
